

ARIKAT

Cosmology of Creation

Tour to Kamit and Khanit

August 20 – August 28, 13024 (2024)

The manner in which the **Ntorotu/Ntorou**, the Divine Spirit-Forces in Nature (Goddesses and Gods), fashion Creation is reflected in the manner in which we fashion

our spiritual selves as **Afurakani/Afuraitkaitnit** (African~Black) people on every level: individual, family, clan and communal. This is when we are grounded in our Ancestral Religion under the guidance of our **Aakhutu/Aakhu**, our Spiritually Cultivated Ancestresses and Ancestors. There is no understanding of the value of life without a clear understanding of **ARI KAT - the work of Creation - Cosmology**. Our tour to **Kamit** and **Khanit**, Egypt and Nubia, will focus on the cosmology of the various sacred ritual sites.
