When Afurakanu/Afuraitkaitnut (Africans~Black People) were forced into North America as prisoners of war during the **Mmusuo Kese**, the Great Perversity/Enslavement era, we carried our Ancestral Religions with us. It was under the power and guidance of the Deities and Ancestral Spirits of our direct blood-circles that we waged war against the whites and their offspring, massacred them and forced an end to enslavement in the United States. Various abolitionist, repatriation and emancipation initiatives were accepted by the whites and their offspring by force of our incessant warfare against them. The healing, educational, economic, social, governmental and military functions of Afurakanu/Afuraitkaitnit (African) Ancestral Religion was and is the foundation of our capacity for nationbuilding in Afuraka/Afuraitkait (Africa) and the western hemisphere.

Our Ancestral Religions were and are passed down from our Ancestresses and Ancestors spiri-genetically and transcarnationally. The **Abosom, Vodou** – the Deities – are connected to Afurakanu/Afuraitkaitnut (Africans~Black People) by blood, for we are descendant of those whose blood-circles were first infused with the energy of the Abosom and Vodou via spirit-possession thousands of years ago. Our spirit-bodies and physical DNA thus carry the spiri-genetic markers which allow us to possess these same Abosom, Vodou wherever we have migrated or were forced to migrate in the world. When we transition via death and become Ancestresses and Ancestors, we continue to guide our descendants until it is time to return generations later via **bebra**, reincarnation, through our blood-circles. That return is prompted by the Abosom, the Vodou, who have empowered and guided us for millennia. This is **transcarnational** transmission of culture and religion. **This is the exclusive spiri-genetic birthright of Afurakanu/Afuraitkaitnut (Africans~Black People) only.** The spirits of disorder, the whites and their offspring, have never and will never have the capacity to communicate with nor align with the Supreme Being, the Deities nor the Ancestral Spirits of Afuraka/Afuraitkait (Africa). This immutable reality is true of white Americans, Europeans, white Hispanics/Latinos, white pseudo-‘native’-Americans (migrant Asians), white Arabs, white Hindus, white Asians, etc. All claims to the contrary are 100% fraudulent. Moreover, our Ancestral Religions are free of the perverse influences of the **false religions** and their **fictional characters** who **never existed** of any race or in any form whatsoever including: Jesus/Yeshua, Muhammad, Moses, Abraham, Isaac, Ishmael, Solomon, Sheba, Yahweh, Allah, Buddha, Brahmin, etc. Our Ancestral Religions also recognize the **insanity** and **spiritual discordance** of dissexuality/homosexuality, the culture of the whites and their offspring, which has no place in our culture nor in **Creation**.

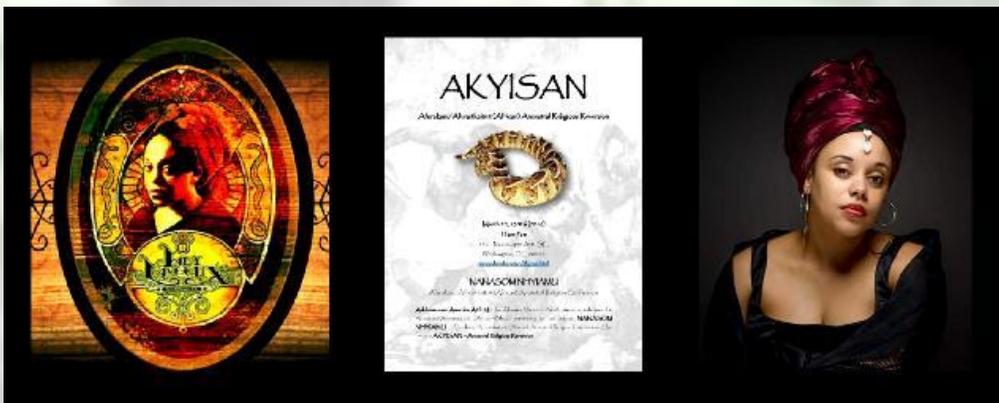

When **Akan** people from the region of contemporary Ghana and Ivory Coast, West Afuraka/Afuraitkait (Africa) were forced into the western hemisphere as prisoners of war they continued to practice Akan Ancestral Religion. The Akan term **ndu** (oohn-doooh) meaning ‘medicine’ from ‘roots, trees, plants’, also meaning ‘to become heavy with the spirit’, became the general term for Akan Ancestral Religion in North America. **Ndu** came to be pronounced **Hoodoo**. The terms **ndu** (hoodoo), **kankye** (conjure), **mogyia** (mojo), **agya** and **agyapade** (jack, jack ball), **hintin** (haïnt), **dwo** (shout) and others are all Akan terms born of the cosmology of Akan Ancestral Religion and culture. The ritual practices and cosmological knowledge expressed through these terms are proof of this reality. **Hoodoo** is not a ‘magico-botanical’ art, mixed with European and pseudo-native-American practices. **Hoodoo** is the Akan Ancestral Religion born of the blood-circles of Akan people in North America, a comprehensive Ancestral Religion spanning thousands of years which is passed down to us only via our spiri-genetic Ancestresses and Ancestors. The

misdefining of the term **Hoodoo** and its later use as a general term for any form of African Religion in the Southern united states is a recent phenomenon.

**Odwirafo Kwesi Ra Nehem Ptah Akhan** will examine these issues in detail proving the spiri-genetic **Akan** foundation and transmission of **Hoodoo** as delineated in his book **HOODOO PEOPLE**.

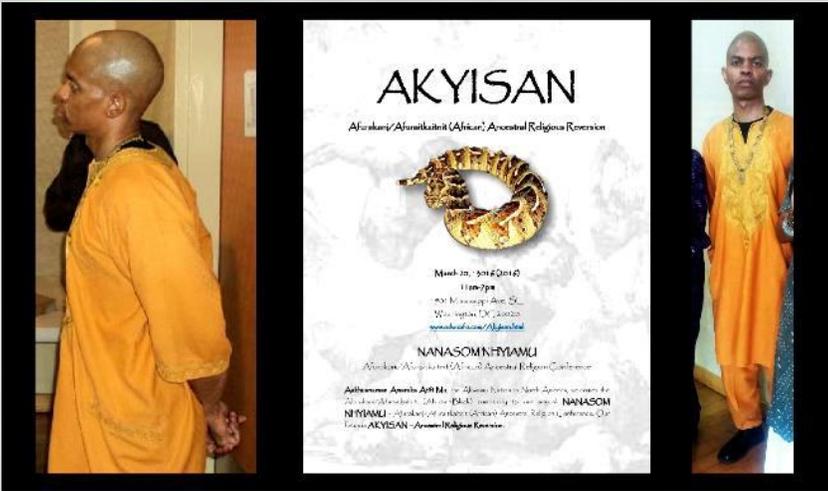

When **Fon** and **Ewe** people from the region of contemporary Togo and Benin, West Afuraka/Afuraitkait (Africa) were forced into the western hemisphere as prisoners of war they continued to practice Fon Ancestral Religion. The Fon term **Vodou** meaning 'Deity, Divine Spirit-Force in Creation' continued to be used as the general term for Fon Ancestral Religion in North america. **Vodou** came to be vocalized as **Voodoo**. The unique forms of spirit-possession, divination, the use of **Bocio** (Voodoo figures/dolls), **Veves** and more are ritual practices born of the cosmology of Fon and Ewe Ancestral Religion and culture. This is true of those Fon and Ewe people who arrived in the united states and practiced Voodoo for generations **prior to the Haitian migration into Louisiana** during the 19<sup>th</sup> century of the gregorian calendar. Voodoo is not related to pseudo-'native-american' or european pseudo folk-'magic' practices. Voodoo is the Fon and Ewe Ancestral Religion born of the blood-circles of Fon and Ewe people in North america, a comprehensive Ancestral Religion spanning thousands of years which is passed down to us only via our spiri-genetic Ancestresses and Ancestors. The misdefining of the term **Voodoo** and its later use as a general term for any form of African Religion in the Southern united states is a recent phenomenon.

**Kalindah Laveaux** will examine these issues in detail proving the spiri-genetic **Fon** and **Ewe** foundation and transmission of **Voodoo** in Louisiana prior to the Haitian migration.

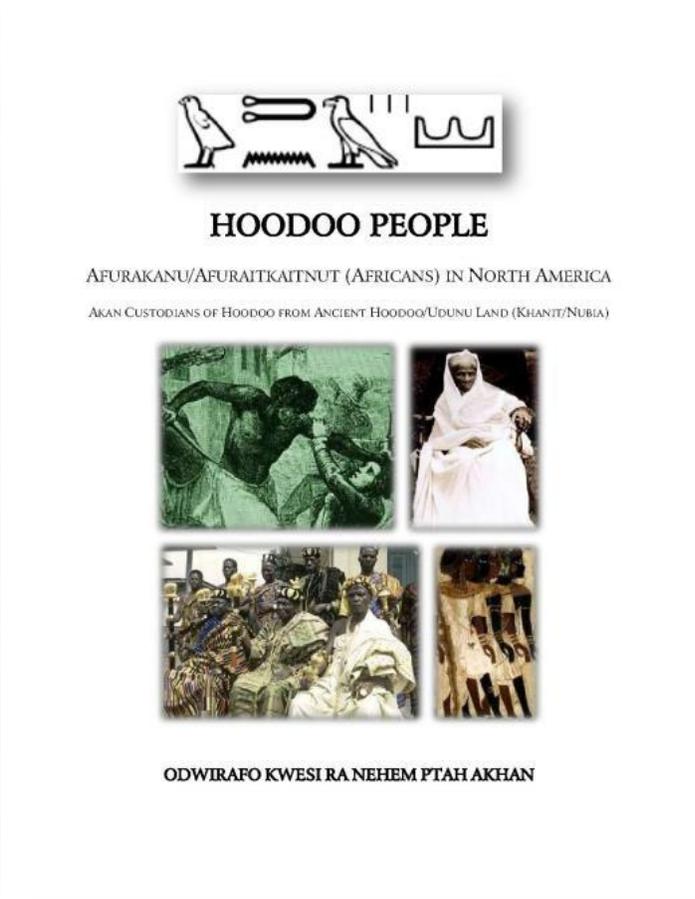

**Kalindah Laveaux**, Founder of the **NOLA Voodoo-Conjure Fest**, is a Voodoo Queen of traditional Ancestral Louisiana Voodoo and Hoodoo passed down through the blood-circles of her Ancestresses and Ancestors for centuries in Louisiana. This Ancestral tradition pre-dates the arrival of Haitian immigrants and Haitian Vodou into Louisiana in the early 19<sup>th</sup> century.

Kalindah Laveaux is a Healeress, assisting the community via divination in various matters inclusive of legal matters, house blessings, cleansings, finances, protection, healing and more. She is an accomplished musician and also conducts private and customized tour experiences that provide a unique perspective on the history and ritual practices of Voodoo and Afro-Creole culture in Louisiana.
