Our first annual KA~KAIT, Soul~Food, gathering around Nen ~ Winter Solstice. This rooting and germination time of our AFE ~ Akan yearly cycle ~ is sacred to Awusi, Adwoa and Yaw [Ausar, Auset and Heru]. The terms Ka and Kait mean 'Soul' in our Ancestral language of Khanit and Kamit (Nubia and Egypt). Yet, they also mean 'Food' and 'Food offerings'. Partake of the physical and Soular food from our vendors and from our presenters on the subject:

KAMITI FEKUW: Proper Contextualizing of Kamit as the Ancestral and Ritual Component of Afurakani/Afuraitkaitnit (African) Ancestral Religious Expressions

KAMIT HENA NTORO

Akwamu, Gyaman and the Origin and Meaning of the Name 'Kamit'

NTORO: Origin and Meaning of 'NTR' - Deity as Defined in Ancient Kamit and Akan Culture

ODWIRAFU KWESI RA NEHEM PTAH AKHAN

FEKUW is defined in the **Twi** language of the **Akan** as *an organization, association*. Our Ancestresses and Ancestors of ancient **Khanit** and **Kamit** (Nubia and Egypt) comprise an **Ancestral Fekuw**, an Ancestral Association, governed by spiri-genetic blood-circles, who guide us, their **Afurakani/Afuraitkaitnit** (African~Black) descendants, throughout our lives. It is a component part of the function of this class of Ancestresses and Ancestors to redirect us to our Ancestral Clans (Akan, Yoruba, Igbo, Ewe, Fon, Fang, Bassa, Gola, Kissi, Bakongo, Mbundu, Ovambo, Mande, etc. from whom we were disaligned during the **Mmusuo Kese** (Great Perversity/Enslavement Era).

As we engage the process of **AKYISAN** - **Afurakani/Afuraitkaitnit** (African) **Ancestral Religious Reversion**, **Afurakanu/Afuraitkaitnut** (Africans~Black People) especially in the Western Hemisphere have been directed by our Ancestresses and Ancestors of ancient **Khanit** and **Kamit** to reconstitute our culture from and upon a pure and firm foundation. We must therefore fully understand the central role of this class of **Spiritually Cultivated Ancestresses and Ancestors** of our direct blood-circles, this **Kamiti Fekuw**, in relation to our restored practices of Akan (**Hoodoo**), Yoruba (**Juju**) Fon and Ewe (**Voodoo**), Bambara (**Gris Gris**), Gola and Kissi (**Gullah Geechee**), Ovambo (**Wanga**), Fang (**Ngengan**) and various other expressions of **Afurakani/Afuraitkaitnit** (African) **Ancestral Religion** in North America in the Caribbean and South America (**Obeah, Kumina, Vodoun, Lukumi, Winti, Candomble**, etc.) as well as our West, Central, South, East and North **Afurakani/Afuraitkaitnit** (African) **Ancestral Religious** expressions on the continent.

Odwirafo Kwesi Ra Nehem Ptah Akhan of **Aakhuamuman Amaruka Atifi Mu**, **Akwamu Nation** in North America, will present on his publication **KAMIT HENA NTORO - The Black Nation and Divinity** from the frame of reference of this proper contextualization. It is imperative that we fully wrest the contextualization of our **Ancestral Religious** expressions of **Khanit** and **Kamit** from pseudo-scholars and pseudo-spiritualists in our community who are infected with the false doctrines of the whites and their offspring. It has been such individuals who have falsely framed the

expression of our **Ancestral Religion** to date. We now correct the record.
