Odwirafo Kwesi Ra Nehem Ptah Akhan of Aakhuamuman Amaruka Atifi Mu (*Akwamu Nation in North America*) presents a workshop on his most recent **nhoma** (book) addressing the nature and function of the **Okra/Okraa**, the Soul/Divine Consciousness. The *Akan* term **Okra/Okraa** is called **Ka/Kait** in *Kamit*, **Ori Inu** in *Yoruba* and **Se Lido** in *Vodoun*. The **Okra/Okraa** is in reality a personal **Obosom/Orisha/Vodou** (Deity) dwelling within the head region of Afurakani/Afuraitkaitnit (African) people, which guides us towards aligning our thoughts, intentions and actions with **Nyamewaa-Nyame Nhyehyee** (Divine Order) throughout our lives. It is our responsibility to harmonize with the pull of our **Okra/Okraa**. This is the key to **Nanasom**, **Amammere** and **Amansesew**, *Afurakani/Afuraitkaitnit (African) Ancestral Religion, Culture and Nationbuilding*.

Nyansa, Wisdom, is comprised of two complementary poles: **Revolution** and **Resolution**. This is a central expression of the working of the **Okra/Okraa** (Soul) within the Afurakani/Afuraitkaitnit (African) individual. Revolution-Resolution is recognized to be an outward expression of an internal spiritual alignment with **Nyamewaa-Nyame Nhyehyee** (Divine Order), which is comprised of **MMARA NE KYI – Divine Law (Love) and Divine Hate**. Our capacity for spiritual alignment is encoded within our **Okra/Okraa** and is transmitted directly to us from our **Abosom** and **Nananom Nsamanfo, Deities and Spiritually Cultivated Afurakani/Afuraitkaitnit (African) Ancestresses and Ancestors**, who are connected to us by **blood**. Afurakanu/Afuraitkaitnut (Africans) in america are not dependent upon anyone in Afuraka/Afuraitkait (Africa) to access the **Abosom** and **Nananom Nsamanfo, Orisha** and **Egungun, Vodou** and **Kuvito** who were/are assigned to us *pre-incarnation* by **Nyamewaa-Nyame** (The Supreme Being). **Abosom, Orisha, Vodou do not communicate with whites: europeans, asians, arabs, hispanics, etc.** These issues will be addressed in detail.

In addition, we will address proper notions of identity as **Afurakanu/Afuraitkaitnut** (Africans~Black People) in contrast to the **false identities** promoted in the **false religions** and their corresponding **fictional characters** including: christianity, islam, judaism/hebrewism, moorishism, hinduism, buddhism, vedanta, kabbalism, jesus/yeshua, abraham, isaac, ishmael, moses, aaron, muhammed, yahweh, allah, brahmin, buddha, the elohim, etc.

****We will give away as many free copies of the soft-cover version of The Okra/Okraa Complex – The Soul of Akanfo as we have available.****

Download the free **e-book** and order the **soft-cover** versions from our site: www.odwirafo.com/nhoma.html
